What is this product?

Type

This product is a share of an investment company qualifying as an undertaking for collective investment in transferable securities (UCITS).

Term

This sub-fund has no maturity date. However, the board of directors may decide to close the sub-fund under certain circumstances.

Objectives

To seek a return exceeding that of a bond investment in EUR.

At least two thirds of the sub-fund is invested in fixed-rate and/or variable debt securities.

The sub-fund may also achieve this objective by investing at most 10% of its net assets in investment funds.

Investments are made without any geographical or sector-based restrictions.

Debt securities may be issued by companies, states and/or other entities. Neither these securities nor their issuers are subject to any ratings requirements.

Benchmark: The portfolio is actively managed on a discretionary basis without reference to a benchmark.

Intended retail investor

This product is suitable for investors seeking income and capital preservation with a medium to long term perspective (at least 3 years). The investor may

incur losses up to the amount invested. This product is suitable for investors with basic to in-depth knowledge and experience of the product and global bond markets.

Other information

Depositary: Banque de Luxembourg

Dividend income: This class is a distribution class meaning that income may be distributed.

Conversion right: The investor has the right to convert his investment in shares in one sub-fund for shares in the same sub-fund or in another sub-fund. The investor can obtain information about how to convert in the prospectus of the fund.

Segregation: The assets and liabilities of a sub-fund are segregated pursuant to the law so that the commitments and liabilities of one sub-fund do not affect the other sub-funds.

Additional information: Additional information about the fund, copies of its prospectus, the latest annual and semi-annual report and the latest prices of shares may be obtained free of charge from the management company or on www.bellatrix.lu. The prospectus and the periodic reports are prepared for the entire fund and are available in French. The management company may inform you about other languages in which these documents are available.

This sub-fund was launched in 2013 and this share class in 2017.

The currency of the share class is expressed in EUR.

What are the risks and what could I get in return?

Risk indicator

We have classified this product as 3 out of 7, which is a medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely to impact our capacity to pay you.

The sub-fund is also exposed to the following materially relevant risks that are not included in the summary risk indicator: Credit risk, other risks.

This product does not include any protection from future market performance so you could lose some or all of your investment.

If we are not able to pay you what is owed, you could lose your entire investment.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

Performance scenarios

Recommended holding period: 3 years

Example investment: 10,000 EUR

		If you exit after 1 year	If you exit after 3 years (recommended holding period)
Scenarios			
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.		
Stress	What you might get back after costs	4,630 EUR	5,770 EUR
	Average return each year	-53.7 %	-16.8 %
Unfavourable	What you might get back after costs	8,200 EUR	8,980 EUR
	Average return each year	-18.0 %	-3.5 %
Moderate	What you might get back after costs	10,120 EUR	10,900 EUR
	Average return each year	1.2 %	2.9 %
Favourable	What you might get back after costs	12,430 EUR	11,880 EUR
	Average return each year	24.3 %	5.9 %

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

Unfavourable scenario: This type of scenario occurred for an investment between March 2017 and March 2020, by referring to a reference class.

Moderate scenario: This type of scenario occurred for an investment between March 2015 and March 2018, by referring to a reference class.

Favourable scenario: This type of scenario occurred for an investment between December 2018 and December 2021.

The stress scenario shows what you might get back in extreme market circumstances.

What happens if ARCHEA FUND is unable to pay out?

If we are not able to pay you out what we owe you, you are not covered by any national compensation or guarantee scheme. To protect you, the assets are held with a separate company, the depositary Banque de Luxembourg. Should we default, the investments are liquidated and the proceeds are distributed to the investors. In the worst case, however, you could lose your entire investment.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding period we have assumed the product performs as shown in the moderate scenario
- 10,000 EUR is invested

	If you exit after 1 year	If you exit after 3 years
Total costs	256 EUR	617 EUR
Annual cost impact (*)	2.6 %	1.9 % each year

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 4.8% before costs and 2.9% after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.

Composition of costs

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	1.0% of the amount you pay in when entering this investment.	100 EUR
Exit costs	We do not charge an exit fee for this product.	0 EUR
Ongoing costs taken each year		
Management fees and other administrative or operating costs	1.3% of the value of your investment per year. This is an estimate based on actual costs over the last year.	132 EUR
Transaction costs	0.2% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	24 EUR
Incidental costs taken under specific conditions		
Performance fees	There is no performance fee for this product.	0 EUR

The conversion of part or all of the shares is free of charge.

How long should I hold it and can I take money out early?

Recommended holding period: 3 years

You should be prepared to stay invested for 3 years. However, you can redeem your investment without penalty at any time during this time, or hold the investment longer. Redemptions are possible on each full bank business day in Luxembourg. In exceptional circumstances, your right to request the redemption of your investment may be limited or suspended.
